

NOTE: The following rules only apply to a republic such as the USA.
For a monarchy such as Great Britain substitute the word "baron" for "people",
and substitute the word "subject" for "citizen".
Also, in the USA, a peer is one of the **people** (not citizens).
In Great Britain, a peer is one of the **nobility**.

Common Law Grand Jury Rules

ENFORCED JUDICIAL ORDER: All current sheriffs will be removed from the proceeding (sgt., et. all) and replaced by Continental sheriffs only, returning plenary jurisdiction to the common united states. This is now ordered before any trial begins.

APPLICABLE LAW

The government must accept the Magna Carta as common law if pleaded as such.

Basic requirements and procedures for a common law grand jury:

Source: Magna Carta, Articles 52 & 61

www.1215.org/lawnotes/lawnotes/magna.htm#52 www.1215.org/lawnotes/lawnotes/magna.htm#61

HOW CONSTITUTED

Grand jury members must be elected by the **people** (not citizens) of the jurisdiction in which they are operating.

There are no rules defining a procedure for how they are elected. The people, without the influence of government, decide for themselves how the grand jury members are elected. There must be 25 members.

QUALIFICATIONS

The members must be "people" of the jurisdiction and not "citizens" of the jurisdiction.

For example, they must be "People of the United States," or "People of California," or "People of the State of California"; not "citizen of the United States," nor "citizen of California," nor "citizen of the State of California." www.1215.org/lawnotes/lawnotes/pvc.htm <http://www.1215.org/lawnotes/lawnotes/sovrein.htm>

Each member must be sworn in and promise to observe all of these rules and, so far as within his power, cause all the rules to be observed.

QUORUM

When the grand jury meets, if any are absent after being summoned, then those present constitute a quorum.

All decisions of grand jury are decided by majority vote of members present.

If any member dies or leaves the country, or in any other way is prevented from carrying out the grand jury's decisions, the remaining grand jurors shall choose another to fill his place and he shall likewise be sworn in.

FINALITY OF DECISIONS

No decision of a grand jury is reviewable in any court of the government.

JURISDICTION

Any government transgression against anyone in any respect

Any government breaking of articles of peace or security

Any dispute regarding anyone who has been diseased or removed, by the government without a legal sentence of his peers, from his lands, castles, liberties or lawful right.

PROCEDURE I

Dispute Settlement

If the grand jury is informed of any dispute regarding anyone who has been disseized or removed (by the government without a legal sentence of his peers) from his lands, castles, liberties or lawful right, then the dispute shall be settled by the grand jury.

PROCEDURE II

Enforcement

Four of the members must be shown that because of the government,

A. A transgression has occurred against any one in any respect, or

B. Some one of the articles of peace or security has been broken

The four members must show to the government the government's error.

The four members must ask the government to amend that error without delay.

If the government does not amend the error within 40 days after being shown the error, then the four members shall refer the matter to the remainder of the grand jury.

The grand jury may distrain and oppress the government in every way in their power, namely, by taking the homes, lands, possessions, and any way else they can until amends shall have been made according to the sole judgment of the grand jury.

LIMITATION OF POWERS

The grand jury may not imprison or execute any government personnel or their children.

PUBLIC SUPPORT

Anyone (people or citizen) who chooses to help enforce the grand jury decision must first swear that he will obey the mandates of the grand jury, and that with them to the extent of his power he will impose the grand jury's decisions upon the government.

The authority to support the grand jury is pre-authorized by the government.

If anyone refuses to support a grand jury decision, the government will force him to swear his support of the grand jury.

LIMITATIONS ON GOVERNMENT

The government is **prohibited** from doing anything to diminish the effect of the grand jury.

If the government does prohibit or diminish the effectiveness of the grand jury, it shall be vain and invalid and may not be used in any later proceeding by the government or anyone else.

TERMINATION OF ENFORCEMENT

When all issues are settled to the satisfaction of the grand jury, things shall return to normal as they were before. No grudges.

BACKGROUND

When the colonies separated from England, King John retaliated by revoking the charters. Technically, the colonies were without any legal authority to operate. However, civics (the branch of political philosophy concerned with individual rights) was generally taught and known by the people who asserted their rights and maintained order by applying the common law. The people united in the form of common law grand juries and continued the functioning of government.

As the legislatures matured they slowly increased governmental power while simultaneously reducing personal sovereign power. This was done through a combination of passing pro-government legislation and reducing or eliminating education about civics. Today, two and a quarter centuries later, hardly anyone even knows the meaning of the word, "civics."

The common law grand jury is now dormant only because of the public ignorance of its powers that supersede all other government entities, including the modern statutorily defined grand jury. Awakening the grand jury will not be graciously accepted by the government.

A strategy is needed to reintroduce this fundamental protection against tyranny and injustice.

STEP 1 - ESTABLISH LEGITIMACY

The first step is to get public acceptance. Every dictator in history understood the power of the people and cultivated their support either through enticements or threats. Reactivating the grand jury concept will go through four traditional stages: denial, ridicule, violent opposition, then self-evident acceptance.

Theoretically, the grand jury can meet anywhere, anytime. But that is hardly good image. One way to get public acceptance and minimize denial, ridicule, and violent opposition, is to hold the grand jury sessions in the public court house. The foreman could apply to a court administrator for use of one of the rooms in the public courthouse. If it is refused, then the court administrator should, under common law procedures, be sued for his dereliction of duty.

The grand jury should follow normal protocol. In other words, if the grand jury begins a process on its own, the resulting accusation is called a *presentment*. If a prosecutor originates a process, then the jury returns to the prosecutor an *indictment* (also called a "true bill") on acceptance, or a "no bill" on denial. [Note: be careful with your words. wrong words may result in inaction! If you call the presentment an indictment, the prosecutor may feel no obligation because he did not initiate the process!]

STEP 2 - GAIN PUBLIC ACCEPTANCE

The second step is to start small. The grand jury could take on issues which anyone can easily see should be prosecuted. As public acceptance increases, the grand jury can enlarge its field of inquiry. The grand jury should have a strong public relations program for this step.

STEP 3 - TAKE ON LARGER PROJECTS

The third step is to take on grander objectives. If the first two steps are well executed, then this step will be the easiest. With both legitimacy and acceptance established the grand jury can make itself felt.

See [United States v. Williams](#), 112 S.Ct. 1735, 504 U.S. 36, 118 L.Ed.2d 352 (1992) for a discussion of separation of powers of government and grand jury.

INTERNATIONAL COMMERCIAL LIEN

(This is a verified plain statement of fact)

Maxims:

1. All men and women know that the foundation of law and commerce exists in the telling of the truth, and nothing but the truth.

2. Truth, as a valid statement of reality, is sovereign in commerce.

3. An un rebutted affidavit stands as truth in commerce.

7. All corporate government is based upon Commercial Affidavits, Commercial Contracts, Commercial Liens and Commercial Distresses. Hence, governments cannot exercise the power to expunge commercial processes.

16. A foreclosure by a summary judgment (non-jury) without a commercial bond is a violation of commercial law.

{18 U.S.C. C-96 §1961}

{Defendant

GEORGE HERBERT WALKER BUSH of **CARLYLE GROUP**; {George Herbert Walker Bush-private}
(George Herbert Walker Bush et. all with prejudice)

**MEMORANDUM FOR ORDER ON THE FORMAL PROSECUTION OF MONEY LAUNDERING,
RACKETEERING TO VIOLATE FCPA AND CHANGE MINING LAW**

Hon. John Dan Kemp,
September 10, 2018

The allegations concerning breaking a form of the **Logan act** through use of a conspiracy to undermine national mining laws, are serious enough as to warrant another superseding indictment against defendant **GEORGE HERBERT WALKER BUSH**{**George Herbert Walker Bush** in private}. Due to this fact your honors we will order defendant to be read the RIOT act. These acts were committed beside the seditions involved in **Uranium 1**. They concern human trafficking and conspiring to defraud United States.(betray united states.)

The accused defendant **George Herbert Walker Bush** has broken national racketeering laws that fall under **18 U.S.C. §1961** and **18 U.S.C. §371**, in order to enrich himself and the **CARLYLE GROUP**. This has been done in a coordinated attack pattern that begins in a mining contract that is illegally signed in **South Africa** and ends with the operation **Eagle II** over a period of forty years. As a result of these indiscretions, several states and their institutions including **Nevada** end up losing their land rights. The plan we have hard evidence for involves moving the settlers out, defrauding the government and moving the operators tied to **Barrick Gold Nevada** and **BHP Billiton** in house to strip all residents of their land patent deeds.

Since this is in fact the case we are enforcing the RIOT Act to be read to the accused defendant given his past in child trafficking. The accused **George Herbert Walker Bush** is already hospice ridden as his wife has passed on, yet that will not alter submission guidelines. He will be made to answer every charge on record with detailed responses, and will provide complete sentences to the sergeant on hand as summoned before the formal tribunal **Grand Jury**.

The defendant **George Herbert Walker Bush** changed several national mining laws including laws in **South Africa** in full violation of FCPA. This exact area is a well known hot spot for the **CLINTON FOUNDATION** and **BARRICK GOLD Incorporated**. As your honors may or may not be aware, this occurred during a specific incident dealing with the country of the **CONGO**. It continued on from there where serious activities of money laundering, racketeering and extortion were uncovered which will be aired. We note to your honors that the accused may not use the "bad memory" syndrome for his defense again as such notions will do nothing to avail those required responsibilities.

As such, we again direct your honors to the problems that transpired in this area and why each of those events amount to no coincidence. During 1993-97, **George Herbert Walker Bush** aka **George Bush Senior** attempted to change the official mining act and in the process ran afoul of several severe national laws. The severity of the damage can by no means be understated your honors, as it affected residents across all of **Tanzania** and other neighboring countries. As a result of all these infractions, it is alleged now that more than a hundred miners were killed in sudden "accidents." This was done with the willing concert of the **Black Eagle Trust** which we will prove on record. In the course of these events, massive child trafficking was conducted.

"Palast's book also explores the relationship between the Bush family and a Canadian mining company, the Barrick Corporation.

Palast explains how as president, George Bush Senior changed a century old mining law that allowed Barrick to "swiftly lay claim to the largest gold find in America". In return, the company named Bush to a senior advisory position after he lost the White House. The company also poured money into the Republican party coffers during the 1997-2000 election cycle, an exceedingly generous gesture for a company based in Canada.

So, what is Barrick? According to Palast- the initial stake came from none other than Adnan Khashoggi- the Saudi arms dealer who arranged the Iran-Contra arms for hostage deal. One of the companies Barrick owns is Vancouver-based Sutton Resources Ltd. In 1996- Sutton drove out anywhere between 30,000 and 400,000 local miners from the Bulyanhulu mining field in Tanzania. During the process- Sutton's bulldozers allegedly buried 52 people alive. Barrick steadfastly denies the allegations."

https://www.democracynow.org/2003/5/27/corporate_profiteering_from_congo_to_iraq

"UBS would loan gold to Barrick, which would then sell the borrowed gold as derivatives, with the promise of replacing the borrowed gold with their gold mining operation. The records of many of those transactions disappeared when Enron collapsed and the trading operation and all its records were taken over by UBS, another major recipient of the CIA stolen gold. The FBI was reportedly conducting an investigation into those transactions, and the investigation files were kept on the 23rd floor of the North Tower of the WTC.

Household Finance was taken over by Harris Bank, which was then taken over by the Bank of Montreal. The Bank of Montreal would be controlled by the Bronfmann family, which became heavily invested in Barrick Gold. Other banks that received portions of the stolen CIA gold included Morgan Guaranty Trust, Chase Manhattan, Citibank, Jardine Matheson, and Deutschebank.

Barrick Gold Corporation: George H.W. Bush during the last several days of his presidency sold Barrick rights for a nominal \$10,000 to mine deposits 'valued' at \$10 billion on public domain lands in Nevada.

the Barrick operation would create billions of dollars of paper gold by creating 'gold derivatives', under the reports that a Nevada claim whose potential was doubted by industry experts had actually produced a fortune."

<http://bcsecuritiescommissionasham.blogspot.com/2016/12/barrick-gold-cia-enron-and-how-they-run.html>

Your honors must note we can indeed prove the calculated move was illicitly illegal. As a result of his actions over ten thousand settlers were nearly evicted off their land. And by state law in **Nevada** or even **Montana**, the new land patent deeds hold priority title over any claim by the government. A conspirator by name of **HARRY REID** was allowed to kill more than several ranchers as a result of **George Herbert Walker Bush's** moves with **BARRICK GOLD**. Count 1] We hereby charge **GEORGE HERBERT WALKER BUSH** in private as **George Herbert Walker Bush**, with the offense of **18 U.S.C. § 1956(h)** money laundering on behalf of foreign state(s) or "things of value." See **Molzof v. United States et. all** and **United States v. Sassi**. <https://www.law.cornell.edu/supct/html/03-1293.ZO.html> Although we prefer he's charged on the **Logan act**, it is an untested law so far outside military courts. The offenses are severe enough to have occurred more than 5 times so hard penalties may be added on for duration. In addition to treble damages of upwards of six billion dollars a stiff prison sentence is now sought even for their final days. [Military is ordered to explore options for penalties up to including isolated prison.]

One of the men involved in these nefarious activities was none other than WWII Nazi supremacist **Richard V. Secord**. **General Secord** was a partner and good friend of the decorated Nazi **Thomas G. Fowler**, the father of **Kevin Spacey**. An ongoing case in Nevada details the terrible back story of this clan. We can also report that several other Nazi socialists including **Arthur Schlesinger** were brought in on this ratline tied to **Black Eagle Trust**. It is now openly stated that **George Herbert Walker Bush** and his CIA traffickers like **Jim McCoy** were hiding unidentified military aircrafts and bases. In addition to this lies thousands of pounds of cocaine and drug trafficking.

"In the 1960s, Ronald Martin worked for the CIA in Miami along with James McCoy, another ex-attaché to Nicaragua. When Contra aid was legally cut by the Boland Amendment in 1984, Martin began organizing North's role in raising arms for the Contras. However, Martin was shut off when North began to use **Richard Secord** as the arms broker. According to Calero, Martin and McCoy received \$2,095,000 for arms from North. Martin's attorney stated that the amount was closer to \$15 million or \$20 million. At least five witnesses testified to the Kerry committee that cocaine was loaded onto planes at John Hull's ranch. The committee also was told that Hull received \$10,000 a month as a courtesy from Oliver North. Yet the Justice Department took no action against Hull for either obstruction of justice or for drug trafficking."

"He smuggled drugs packed in frozen shrimp into Florida and laundered the profits for the Contras. Castillo also had ties to Gerard Latchinian, an international arms dealer. In 1984 Latchinian was arrested for using proceeds from a \$10 million cocaine deal to help finance the assassination of Honduran President Roberto Suarez Cordoba. Latchinian's partner was General Jose Bueso Rosa who helped train Contra soldiers in Honduras." <https://thegreenpulpit.com/category/required-reading/>

We will prove this operation was linked directly to the above declared **Eagle II** which was bankrolled by the **GEORGE SOROS** private foundation. Your honors are to note in the supplied documentation, the CIA is named as the trafficking hub for many larger shipments through **Arkansas**. This will all be released as due day draws near and defendant will be ushered before a **Grand Jury** to answer at the podium for each charge. [Military will explore further options for sentencing including prison cell conditions or chambers.]

"The company, which Bush now personally leads, was created by Bush's political partners--**British elite narcotics financiers, and arms traffickers and money launderers.** {and is owned by SOROS & co}

Using the influence of this political faction, Barrick acquired important interests, first in the United States, then in Canada and South America. In South America, as **Barrick boasts in its 1995 annual report, the company has an aggressive, long-term approach, with mines and projects established in strategic locations in Argentina, Chile, Peru, Bolivia, and Brazil.** "Almost two-thirds of the exploration and development drilling budget will be spent in South America, where **the company has decided to focus its efforts," the annual report states. In addition, with its intended conquests in Indonesia and Africa, the firm now says it aims to move from third to first among the world's largest gold mining companies.**" <http://saynotobarrickgold.blogspot.com/2013/03/inside-story-bush-gang-and-barrick-gold.html>

You must take note of the fact that the **Grand Jury** has also been ordered to enforce immediate charges of child trafficking on record. **George Herbert Walker Bush** is a criminal your honors, he is not a surgeon or an individual of great renown. Rather he is a national disgrace to the founding of the entire nation. This is someone who deserves no respect and is not a doctor or a healer for new inventive medicines. Over his "illustrious" career, more drugs have been trafficked than anyone a part of this illegal operation.

He illegally changed several national laws and moved thousands of pounds of cocaine exclusively on behalf of **BARRICK GOLD** and **CARLYLE GROUP**. These insipid actions also involved all of **Nevada state**, all of **Montana state** and all of **Arkansas state**. In addition to those facts, he also covered the money laundering trail which directly ties back to **Black Eagle Trust** and famous WWI Nazi **Peter Munk**. The records before this state Grand Jury and other able Juries will prove one thing alone, that being the man known as **George Herbert Walker Bush** is a grand liar and traitor who acts in fraud.

"Jeb Bush in 1986 was the 33-year-old chairman of the Dade County Republican party and he was up to his eyeballs in the Iran-Contra scandal. To get a taste of that read Al Martin's book [*The Conspirators: Secrets of an Iran-Contra Insider \(2001\)*](#) and read

{aloud} about Jeb Bush's dealings with operatives such as **Al Martin, Oliver North, Richard Secord, Dewey Clarridge, Sam Watson, Fred Ikley and, of course, his father George Herbert Walker Bush.** Basically Jeb Bush was in the center of a wasp's nest of dirty dealing CIA/military operatives engaged in rampant criminality – all in the name of “national security.”

“Barry Seal was a crazy man. He was also everything Dan Magruder [Donald Gregg, an aide to GHW Bush] was not. Happy-go-lucky, irreverent and loud, Seal telephoned me and told me he was the man I was told would call me. It was the mid-1980's and with the decadence of that time and the free-flowing cocaine, Cajun's Wharf was a hangout for the bond daddies such as Lasater and company. [**L.D. Brown, *Crossfire: Witness in the Clinton Investigation*, p. 102-103**]

I at once felt a sense of panic and relief that Seal was gone. Had he left something in the car? Was I about to be surrounded by the police? Wait a minute I *was* the police and furthermore this was an operation sanctioned by the C.I.A and I was recruited by them – and by Bill Clinton. [...] I would become furious with Bill for shepherding me through this mess, indeed for getting me involved. I would then as quickly think of explaining it all away as a ‘sting’ operation designed to trap the people on the other end of our flight who maybe had sold drugs to Seal.[**L.D. Brown, *Crossfire: Witness in the Clinton Investigation*, p. 113-114**]

The tension was building up inside me as I saw Bill coming out the back door. I was getting mad all over again as I got out of my car and he strode over to me. It was the first time we talked since the trip, the trip he knew I was going to take. His mouth opened and the words “You having fun yet?” were already forming on his lips when I burst out, “Do you know what they are bringing back on those airplanes?” He immediately threw up his hands in a halting fashion and took a couple of steps back. I know he thought he was in danger of receiving a class A state police ass-whipping. My hopes of an innocent explanation to the whole sordid affair were dashed with the now-famous line, **“That's Lasater's deal! That's Lasater's deal!” he whined as if he had just taken a tongue lashing by Hillary. “And your buddy [Vice President George Herbert Walker] Bush knows about it!”**
<https://www.johndenugent.com/english-did-jeb-bush-vp-george-herbert-walker-bush-and-oliver-north-murder-cia-drug-smuggler-barry-seal-in-february-1986-by-robert-morrow/>

We can of course prove on record your honors that the defendant was not of sound mind. He would regularly pull up in his stretch limo and brag that what he was doing was for the benefit of humanity and new ways of health based science. All of these statements were lies your honor, as the only objective of **George Herbert Walker Bush** was to conduct child and drug trafficking. He may have indeed been criminally insane yet the truth is now being unsealed.

Count 2] We charge **GEORGE HERBERT WALKER BUSH** (*private agent George Herbert Walker Bush supra.*) with the offense **18 U.S.C. §1961**, which is national racketeering under the federalized R.I.C.O act. These violations are quite severe so harsher penalties will be added on to ensure all of his existing partners are seized and bound. He has instigated this offense more than eight separate times your honors, and claiming there is trouble remembering the incident will not help anyone. We accuse defendant **George H.W. Bush** of going out of his way to initiate illegal enterprises across the western front, including open land confiscation on private ranch owned properties. Racketeering laws are subject to extra judicial penalties enforced now under standard UCMJ procedures. [The Military will explore sentencing, especially an additional year in prison. All the evidence of MK-Ultra is now being exposed.]

The career of this public official reaches deep into the recesses of the **Eagle II** situation aka "the farm." By all accounts the **Grand Jury** will note this was nothing less than a debacle. To clarify, it was known by active intelligence agents within the FBI and similar organizations that **H.W. Bush** had setup a front. This front operation was created in the vein of CIA's **Ferrera** to hide black market drugs, paraphernalia, child sex trafficking and insipid experiments underground on behalf of **Michael Aquino**. An agent of influence said to be ordering him around at the time was then Cardinal Ratzinger. <https://isgp-studies.com/cia-heroin-and-cocaine-drug-trafficking>
"... the Carlyle Group is a story of dealings inside "**Iron Triangle**," the place where the world's mightiest military intersects with high-powered politics and big business. It is a company whose history includes ties to CIA cover-ups and secret arms deals, and an astounding trail of corporate cronyism. **By making defense buyouts the cornerstone of its business strategy, Carlyle now finds itself the beneficiary of the largest increase in defense spending in history. Indeed the stars seem to have aligned perfectly for Carlyle, in just 15 short years.** With the ascension of George W. Bush to the presidency, the White House is now full of ex-Carlyle employees, friends, and business partners. And with the newly fattened defense budget, Carlyle has been able to extract massive profits from its defense holdings, like United Defense, in the wake of the terrorist attacks on September 11, 2001. It may be tough times for America, but as Bette Midler might say, everything's coming up Carlyle.

While the company flew well under the radar screen for the first decade of its life, lately success has not come without scrutiny for the Carlyle Group. After all, **it's hard to remain anonymous when your employee roster includes names like George Herbert Walker Bush, James Baker III, John Major, and Arthur Levitt.**

pxxviii

Concentrating on heavily regulated industries like defense, telecommunications, energy, and health care, Carlyle is betting that it can predict future trends in government spending and policy, or influence them outright. And by hiring former secretaries of defense, ex-presidents, the former head of the Securities and Exchange Commission, and the former chairman of the Federal Communication Commission, they are in a position to do either." <https://majestic12research.blogspot.com/2009/05/carlyle-group.html>

"How was this possible?"

A report by Tyler Durden, citing an anonymous insider trader involved with AIG trades, reveals that manipulation fraudulently transferred US taxpayer money to AIG's counter-parties -- the top banks and financial institutions -- with AIG as the "pass-through." The profit report sparked a market rally that comes at the expense of US taxpayers.

The complete report (thanks to Jenna and the Mike Ruppert Blogspot for this find) is damning and startling:

It is no secret that **George Herbert Walker Bush** was during this time, covering for the so-called "Iron Triangle" axis which runs over the **Bermuda** waypoint. Essentially he is accused of covering for **Majestic 12**. He was very well known to be covering up the **Bermuda Triangle** problems for three decades. This was done on behalf of much higher evils who were intent on using Bermuda for **Black Ops** military projects tied to gold mine monopolization.

George Herbert Walker Bush went out of his way to make **Eagle II** a success. Your honors must note that he monopolized the route even going as far as to recruit some members of the Air Force many whom held him in low esteem. A well decorated CIA general by the name of **Ferrera** was the hub & go-between.

“The five experts picked were, General Edward Landsdale, who ran the CIA activities in Vietnam; William Colby, who was to be put in total command of the blue-print operation when enacted; George Bush, who asked and received approval to have his top aid, **Richard Armitage be brought aboard, and Lt.Col. Robert Ferrera**, a top CIA asset, who at the time was on an assignment in the Congo on the Patrice Lumumba situation.

Having secured the “Implied” go-ahead, the five experts were called in and the task put forth to them. They were given a space of three days to solve the problem and come up with a viable solution. The five met in Washington D.C., and from there travelled to Langley Va. Four of the five were hand-picked for their very special abilities and expertise: the fifth member of the group, Armitage, was brought along by George Bush as his personal “gopher”. Bush was chosen for his knowledge of **China and his war-time flying ability**, as well as being “on the way up” within the CIA. **General Landsdale was brought in because of his expertise as a top CIA asset, especially in breaking insurgencies, as he did with the Huks in the Philippines in the late fifties. William Colby was picked for his knowledge of South East Asia, and to command the operations first phase. Lt.Col. Ferrera was included because of his varied experience as a pilot, as well as his command of over a dozen languages and his position as founder of the Special Forces** (Green Berets) and still, at that time, regarded as their unofficial commander in Vietnam. The five names were submitted to the “Godfather” of the CIA, John Foster Dulles, who gave the plan his total blessing.” <http://impiou digest.com/operation-eagle-ii-the-top-secret-cia-drug-running-empire-and-george-h-w-bush/>

Your honors shall note for the record he continued to run the illegal operation up until the year 2004. Each of the retired Berets were also recruited from Yale schools and job fairs since they never dared take their parlor tricks to the U.S. Army. Several of them including **Secord** are dead.

Count 3] We now charge **George Herbert Walker Bush**{**GEORGE HERBERT WALKER BUSH**} with offense **18 USC §1962** on record for each MK-Ultra scheme conducted during **Eagle II**. It shall cover all damages to any victim(s) afflicted since it is also *all encompassing* for any time period. This is different as it is the official "conspiracy to commit racketeering charge." He has violated the provision no less than eight times and so stiff penalties are sought with none waived. Treble damages of more than six billion dollars plus stiffened prison conditions of two years shall be retroactive by **Grand Jury** discretion. All outer assets will be seized. The defendant will answer for each offense before the podium in the **Jury** foyer. [Military is tasked to explore options up to including life in prison, imprisonment in solitary conditions before possible transfer off-site or a regulated harsh environment.]

Count 4] **George Herbert Walker Bush** is guilty of child trafficking and we charge him now, under offense **18 U.S.C §1591** to apply to each and every murder. Other un-indicted co-conspirators named in this filing are **Michael Aquino, Richard Secord, William Colby, Kevin Spacey** (alleged), **Richard Armitage, Bill Clinton, Colin Powell** and **James Baker III**. The charge carries the full weight of penalties and will be retroactive depending on other offenses uncovered. See **United States v. Robinson** "government need not prove", only suspicion is needed to prosecute habitual offenders. <https://caselaw.findlaw.com/us-2nd-circuit/1616801.html>

It is without dispute your honors that this individual is guilty of child sex trafficking. Going back to Nebraska's **Boys Town** scandal, he has been one of the world's most highly visible traffickers across this nation. With the aid of certain senior executives including **Larry King**, over twenty boys and other victims were trafficked between compounds only to be murdered thereafter.

Devil Worshiper Holds Sensitive Army Post and Top Brass Say 'No Problem'

A senior U.S. military intelligence officer with a secret security clearance admits he's also the founder and high priest of a satanic church — and amazingly, the Army says "no problem!"

Lieut. Col. Michael Aquino, a 41-year-old former Green Beret, confirmed to The ENQUIRER that he's been involved in devil worship for 22 years.

He said he formed his own satanic church, the Temple of Set, in 1975 after belonging to another sect, the Church of Satan, for the previous 10 years.

"My religion has been no secret in the Army," said Col. Aquino, who served as a psychological warfare specialist in Vietnam and is now a reserve officer working full-time on extended duty at the Army's reserve personnel center in St. Louis. He admitted satanic

terminology is used in his church's rituals, adding, "We are quite proud of that."

But William Gill, executive director of the Catholic War Veterans, fumed: "This is outrageous and a national disgrace!"

"It's unbelievable that an admitted devil worshiper should be allowed to hold a senior and sensitive post in the U.S. Army. This abomi-

nable situation insults the memory of those who have fought and often died to uphold the traditional values of our great country.

"Citizens have a right to expect our military to uphold the traditional values of God and country — not the evil ramblings of some satanic sect."

Col. Aquino's satanic church is advertised in the yellow pages in San Francisco, where he was stationed from 1981 to 1986. He says most members are in the U.S. and Canada, although "we have a sprinkling of members in places like Western Europe and the Pacific."

The Constitution's guar-

antee of freedom of religion protects Col. Aquino from action by the Army, said Lieut. Col. Greg Rixon, an Army public affairs officer in Washington, D.C.

"As long as an individual's religious practice remains within the limit of the law, there is no problem," Col. Rixon said.

But Catholic War Veterans director Gill blasted that stand. "For the Army to say no problem" is mind-boggling," he said. "This disturbing situation is a problem for everyone who is concerned about national security and morality."

"The U.S. Army is no place for worshippers of the Prince of Darkness!"

EX-GREEN BERET Lieut. Col. Michael Aquino is a high priest of a satanic church.

"Paul Bonacci in front of the ranch where he says Johnny Gosch, and other boys were held captive. Paul Bonacci has stated that, as a youth, he was forced to participate in 'satanic' snuff films. He identified Bohemian Grove as the location of a 'satanic' murder. **Paul A. Bonacci said that, as a child, he was kidnapped by the US military, tortured and subjected to sex abuse and mind control**. In 1999, in a court in Omaha, he won \$1,000,000 in damages. Child abuse and mind-control victim **Paul Bonacci** took his case to court. Judge Urbom granted Bonacci a million dollars in response. **George H W Bush and 'Johnny Gosch'**. Reportedly Johnny Gosch was mind-controlled by the CIA. Reportedly Johnny was mind-controlled to become a sex slave for members of the elite, including **George H W Bush**." <http://aangirfan.blogspot.com/2014/02/johnny-gosch-bush-and-blair.html>

"George H. W. Bush is a known evil pedophile, who ran a Congressional Blackmail Child Sex Ring during the 1980s known as "Operation Brownstone and Operation Brownstar", and later to become known as "The Finders or The Franklin Cover-up". U.S. **Vice President George HW Bush would sneak children over to Senator Barney Frank's condo, known as a "Brownstone" to their famous cocktail parties, where U.S. Congressman and U.S. Senators — some willing and some unwilling participants — got a taste of the "Voodoo Drug" in their drink.** (Editor's Note: It is interesting that George H. W. Bush used the term "Voodoo Economics," a slanderous term used by George H. W. Bush in reference to President Ronald Reagan's economic policies, which came to be known as "Reaganomics".

“The true story never has been told that children from orphanages all across America during the 1980s came to Washington DC, paid by the US Taxpayers, to unknowingly participate in the Congressional Blackmail Child Sex Ring. Daddy Bush, Dick Cheney, John Sununu, according to sources, would be standing in line to greet the children and their caretakers as they came to the Vice President’s Home and or the White House for their specially invited tour at US Government expense. Bush, Cheney and Sununu would ask, “what’s your name”, and later just before dinner time, a call from the White House came into the hotel where the children were staying to the Caretakers inviting Little Billy, Mary, Johnny, Timmy, and Pam to the White House State dinner that evening.

The caretakers thought it would be good for the children, since the White House could not accommodate the entire orphanage. Gunderson and Pender, who ran the operation, dispatched the limo at Bush’s request, and the female would take the children to the limo and immediately give them a Coke or Pepsi with the VOODOO DRUG in it, and they were off to U.S. Senator Barney Frank’s pad, known as a “Brownstone”.

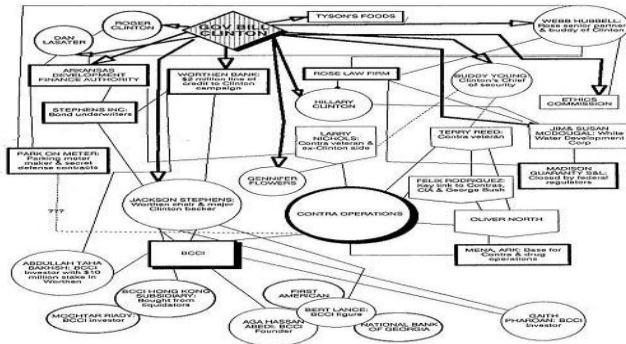

Of course, the U.S. Senators and U.S. Reps were there with the good-looking female prostitutes who would help get the congressmen and senators drunk on the “VOODOO DRUG”, so when **Daddy Bush, Dick Cheney, John Sununu and others showed up at the party and the children in the limo arrived, the female prostitutes left and the child sex party started, with U.S. Vice President George HW Bush, Richard Cheney, John Sununu and others showing the VOODOO drunk congressman and senators how to have sex raping children,** while the cameras were running. Someone pretending to be from the White House would call the caretakers back at the hotel and would tell them the children fell asleep and are staying the night here at the White House and will be returned before lunch tomorrow.

The caretakers did not suspect a thing until 6 months later when their children were sitting in front of the TV watching the News and waiting for dinner, when many would jump up and point to the TV and say “He put his thing in me”, as the children pointed to either their rectum or the female side. These caretakers began to ask questions and did not know whom to call. **Some called “People Magazine”, which spent a million dollars investigating all of America’s orphanages and found this was true, with those children selected out at the White House being greeted by these known pedophiles: Bush, Cheney and Sununu.”** <https://i-uv.com/pedogate-bombshell-disclosures-about-george-h-w-bush/>

We will make note of the fact it cannot be argued that defendant **GEORGE HERBERT WALKER BUSH**{George Herbert Walker Bush as private agent} is guilty of all of the offenses listed related to child sex trafficking. Thusly, we see little choice other than to add a superseding charge against the accused. This time it will be for conspiracy to enact habitual manslaughter, since the stated crime can easily follow after racketeering and is simple to prove. We note your honors, that while first degree murder can be proven - the **Grand Jury** can more easily build a case with instant resolve by using manslaughter.

<http://www.apfn.org/apfn/mena.htm>

George H.W. Bush would be no different in this instance is now asserted. Similar to how senior members of the **Gambino** mafia were caught by clear-cut laws of racketeering and tax evasion, we can apply that scenario to these circumstances given extensive damages that have resulted to the victims.

Count 5] We charge **GEORGE HERBERT WALKER BUSH** (George Herbert Walker Bush; in private) with the offense **18 U.S. Code § 1117** which is conspiracy to commit manslaughter. See *United States v. Damon Causey* and *United States v. Robinson supra*. "acting under color of law and in the right to provide information to law enforcement authorities about a federal crime, alleging eight overt acts in furtherance of the conspiracy.(for murder)" <https://openjurist.org/185/f3d/407/united-states-of-america-v-damon-causey> As the offense was committed while being engaged in a racketeering style of conspiracy in concert, the most graphic and disciplined penalties are now applied. The sentencing for this offense will be prison and our acting sergeant is directed to bring the accused to the podium to answer for every charge on record. [Military is required to explore harsher punishment, up to and including life in a window-less cell.]

Your honors, **George Herbert Walker Bush** knew that his actions during **Eagle II** resulted in deaths of more than one thousand victims. We have the evidentiary documents for the same crime already loaded on site. Thusly it is only fair that he be held fully liable for all damages the victims accrued. This time he will be held liable in private capacity, while the rest of his assets are seized. Let this be a high warning to all who worked beside him, the evidence is undeniable. Your crimes have gone on for fifty plus years, every one of you conspirators are next on the docket. Your actions resulted in the demise of more than five innocent ranchers in three key states plus **Montana**. The United States your honors has turned into an empty and toothless corporation. Only the people may step forward and put a final stop to that.

A congressional report on the scandal stated that the administration exhibited “secrecy, deception and disdain for the law.” [11] Congress noted that President Reagan had been unaware of most, if not all, of the illicit activity, leaving Vice President Bush** and Baker** as the highest ranking covert operators. Mysteriously, the congressional investigators didn’t probe into the Bush claim that he was out of the loop. Large volumes of documents relating to the scandal were destroyed or withheld from investigators by administration officials**. With the official White House** podium churning out confusing disinformation, Reagan became labeled as the Teflon president.”

He openly ran Nazi drugs trafficking network with assistance of Richard Secord, Oliver North and James Baker

The congressional report, known as the Tower Commission (nicknamed from Texas Senator John Tower) went on to say that “the Contra drug links included ... payments to drug traffickers by the U.S. State Department of funds authorized by the Congress for humanitarian assistance to the Contras, in some cases after the traffickers had been indicted by federal law enforcement agencies on drug charges, in others while traffickers were under active investigation by these same agencies.” [14] Former DEA agents testified that drug trafficking was conducted with full knowledge of the CIA. The agents further alleged that investigations were hindered by U.S. government agencies. [15]

ut in a single stroke, Mr. Bush swept away one conviction, three guilty pleas and two pending cases, virtually decapitating what was left of Mr. Walsh’s effort, which began in 1986. Mr. Bush’s decision was announced by the White House in a printed statement after the President left for Camp David, where he will spend the Christmas holiday.

Mr. Walsh bitterly condemned the President’s action, charging that “the Iran-contra cover-up, which has continued for more than six years, has now been completed.”

Mr. Walsh directed his heaviest fire at Mr. Bush over the pardon of Mr. Weinberger, whose trial would have given the prosecutor a last chance to explore the role in the affair of senior Reagan officials, including Mr. Bush’s actions as Vice President.

‘Evidence of Conspiracy’ Mr. Walsh hinted that Mr. Bush’s pardon of Mr. Weinberger and the President’s own role in the affair could be related. For the first time, he charged that Mr. Weinberger’s notes about the secret decision to sell arms to Iran, a central piece of evidence in the case against the former Pentagon chief, included “evidence of a conspiracy among the highest ranking Reagan Administration officials to lie to Congress and the American public.” <https://exploringrealhistory.blogspot.com/2018/02/part-3-big-bamboozle-911-war-on-terror.html> <http://jfkmurdersolved.com/bush.htm>

It was less than thirty years ago where the public could not dream of something so organized going on in America. Then a few years later, the news of **Monsanto** broke. America’s Eyes Are Wide Open and see their frauds throughout public life. **George Herbert Walker Bush** trafficked millions of pounds of drugs across the western states, hiring circus actors to help the rodeo look good on camera. In addition, actors who people put faith in such as **Meryl Streep** are traitors that started it all. They are frauds as the truth is most of our public officials are impostors run by the CIA. Even in our movies, we see nothing but the same rodeo to destroy our institutions of government and decency. They have done it through the Oscars with evil frauds like **David Geffen** and **Charlie Sheen** and they have done so with the same crooks in political office such as **Jorge Bergoglio**, **George H.W. Bush** and **Marco Rubio**. The **Grand Jury** will thoroughly examine all offenses on record.
